## September 2012 Newsletter

### A Note From Miss Roberta

A big welcome to Woodvale  
Playschool Centre.

What an exciting year we have to look forward to. This will be the only newsletter that will be printed out. The newsletters will be posted on our website. Please make sure you check the website daily. We also put pictures on our parent site. More information to follow at a later date.

These first few weeks everyone is getting used to new routines, new friends, new rules and new surroundings. This is a transitional period, so please feel free to ask any questions pertaining to your child or the school.

.....  
Here are a few things to keep in mind.

- you must bring your child into the school.
- please assist them with their name tags.
- please encourage your child to remove their outdoor clothing and footwear. We are preparing them to become more independent and give them the confidence they need.
- please hang their outer wear on the hook first and then their backpacks on the top. It makes it easier for them to get at their snacks.
- their indoor shoes remain at the school and are in the bins directly below the coat hooks.
- please send a small, nutritious snack and a reusable container for their drink.
- always dress your child for the weather.

### 3 Year Old Class

We will be taking our time getting to know each other, learning new routines and class rules.

The 3's have a "Season of Three's Tree."

Watch their creations unfold as the tree becomes adorned with the colors of Fall.

We will try to take every opportunity to be outside, please remember to dress your child appropriately.

### Pre K Classes

We will be jumping right into our routines.

Thank you

You can learn many things from children. How much patience you have, for instance.
