

Star Artist of the Week

The little artists will be creating a portfolio and an art project at home. They will each have a chance to be Star Artist and present their portfolio and art project to the class. Their portfolio and artwork will be displayed in the Fine Arts corner on their scheduled week. While they are Star Artist they will also have the responsibility of being the teachers helper!

Portfolio

The portfolio can be a duotang or binder. The portfolio is information about the artist. How you would like to creatively design and fill the portfolio is up to you and your little artist!

Examples and suggestions – about my family

- what is my favorite color, food, animal, etc.
- something interesting about me
- what is my favorite thing about art (projects, dance, acting, playing instruments, etc)

Other things you may include are, photographs, self portraits, sketches, and stories.

Art Project

The little artists may do 1 or 2 projects that will be apart of their presentation.

Example art projects – a painting

- a sculpture
- play a song with an instrument
- create an instrument
- sing a song with music
- dance performance
- puppet show

The portfolio and art project can take as much or as little time as you and your little artist want or have to put into it. Please check the list to see when your child's star artist presentation is scheduled. The portfolio and project is due the week before the presentation. Feel free to ask the teachers if you have any further questions!

Have fun and get creative with your little artist,
Mrs. Ross

Schedule

Sept. 27th – Cecile
Oct. 11th – Allyssa
Oct. 25th – Ameran
Nov. 8th – Cobi
Nov. 22nd – Isabelle
